Mail Stop Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir,

I sent the patent application entitled "Dual-Mode Transceiver For Indoor and Outdoor Ultra Wideband Communications" to your office on July 10, 2003.

The inventor of the patent application is George J. Miao.

I received the postcard that returned to me. The patent application number is 10/616840. However, so far, I have not received a Filing Receipt from your office. Please send a Filing Receipt with confirmation number to me as soon as possible.

The following is the mailing address:

George J. Miao
2 Inverness Drive
Marlboro, NJ 07746

Thank you very much for the help.

Sincerely,

A handwritten signature in cursive script, appearing to read "George J. Miao".

George J. Miao, Ph.D
